## Social Justice Activist Hunt

### Find someone in the group who:

1. Has spent time in jail for their activities or beliefs. (or would have if they had been caught).  
What happened?
2. Worked against slavery or other forms of racism. What exactly did they do?
3. Worked for women's rights. What did they do?
4. Worked for the rights of a minority group. Who did they fight for and what did they do?
5. You had never heard of before. What did they do? Why do you think you had never heard of them?
6. You have heard of. What new thing(s) did you learn about this person?
7. Is a white person who worked for racial justice and human rights. What did they do?
8. Fought for similar rights as you. How was their approach similar or different?
9. Was born in another country. What did they fight for?
11. Was an anti-war activist and or a veterans of war activist.

12. Was a novelist, poet and screenwriter who is also Native American.

13. Worked with and or on behalf of young people.

14. Believes female sports are important.

15. Is a movie star. What have they done?

16. Was a famous scientist who was a leading figure in the World Government Movement.
