

# Super Summer Reading Opportunities in Northview 2016

Congratulations! You are invited to participate in Northview's Super Summer Reading program. Our goal is that you will always have books to read over the summer. This summer we have TWO opportunities to help you continue to be an awesome reader. We have the **Northview Mobile Library and Summer Activities in the Libraries (S.A.I.L.)**.

The **Northview Mobile Library** will be coming again to neighborhoods in the district to exchange books and give new books to students. We would love to see as many students and families as possible. This year we have also added a new stop each month in which we are partnering with those working or serving in our community. You won't want to miss it!
